EDUCATION

Matriculation	2011 – 2023
Pilot Public Sec School, karachi	
Intermediate	2023 – Present
Govt. Superior Science College, Karachi	
I am Currently In College, Studying In The 12th Grade. I Completed My Previous College Here And Graduated With A Strong Foundation In Mathematics, Science, and Computer. My Passion For Computer Science Has Me Excited To Pursue A Degree In The Field. I Thoroughly Enjoy Coding, Algorithms, And Robotics, And I Am Looking Forward To Contributing To The Ever-evolving Tech World.	
HDSE(Higher Diploma In Software Engineering)	2024 – Present
Aptech Learning Metro Star Gate, Karachi	
I am currently pursuing Software Engineering at Aptech Learning, where I am gaining in-depth knowledge of programming, web development, databases, and software design. My education here has equipped me with practical skills in various technologies, preparing me to excel in the ever-evolving field of software development.
